

# 165251 - RD 100 ER DEKSEL L=3

## Product data

|                        |                                           |
|------------------------|-------------------------------------------|
| Product code:          | 165251                                    |
| Brand:                 | Niedax Group                              |
| Series:                | Niedax Cable tray                         |
| Type:                  | RD                                        |
| EAN Code:              | 04013339336203                            |
| Technical description: | RD 100 ER DEKSEL L=3                      |
| ETIM class:            | EC002403 - Cover for cable support system |

## Technical data

|                                 |                 |
|---------------------------------|-----------------|
| Colour:                         | Other           |
| RAL-number:                     | -               |
| Surface protection:             | Other           |
| Material thickness:             | 1               |
| Material quality:               | Other           |
| Length:                         | 3000            |
| Working temperature:            | -20 - 120       |
| Material:                       | Stainless steel |
| Type of fastening:              | Cover clamp     |
| Cover width:                    | 100             |
| Suitable for wire mesh tray:    | No              |
| Suitable for cable ladder:      | Yes             |
| Suitable for cable tray:        | Yes             |
| Stainless steel, pickled:       | No              |
| Suitable for circuit integrity: | No              |
