

# 168718 - GTTKS 250 F CONSOLE

## Product data

|                        |                                                     |
|------------------------|-----------------------------------------------------|
| Product code:          | 168718                                              |
| Brand:                 | Niedax Group                                        |
| Series:                | Niedax Wired mesh                                   |
| Type:                  | GTTKS                                               |
| EAN Code:              | 03614987480044                                      |
| Technical description: | GTTKS 250 F CONSOLE                                 |
| ETIM class:            | EC000082 - Ceiling profile for cable support system |

## Technical data

|                                 |                    |
|---------------------------------|--------------------|
| Model:                          | Other              |
| RAL-number:                     | -                  |
| Surface protection:             | Hot-dip galvanised |
| Weight:                         | 1.12               |
| Material quality:               | Other              |
| Length:                         | 315                |
| Working temperature:            | -20 - 120          |
| Material:                       | Steel              |
| Load bearing capacity:          | -                  |
| Profile width:                  | 56                 |
| Profile height:                 | 20                 |
| Stainless steel, pickled:       | -                  |
| Suitable for circuit integrity: | No                 |
