

## 610010 - LC45 MINIKANAAL L=2

### Product data

|                        |                               |
|------------------------|-------------------------------|
| Product code:          | 610010                        |
| Brand:                 | Niedax Group                  |
| Series:                | Kleinhuis PVC channels        |
| Type:                  | LC                            |
| EAN Code:              | 04011126075847                |
| Technical description: | LC45 MINIKANAAL L=2           |
| ETIM class:            | EC000059 - Mini/Maxi trunking |

### Technical data

|                                 |                          |
|---------------------------------|--------------------------|
| Width:                          | 7.8                      |
| Halogen free:                   | No                       |
| Height:                         | 5.8                      |
| RAL-number:                     | -                        |
| Surface protection:             | Untreated                |
| Pre-stamping:                   | No                       |
| Material quality:               | Polyvinyl chloride (PVC) |
| Length:                         | 2000                     |
| Working temperature:            | - - -                    |
| Material:                       | Plastic                  |
| Type of fastening:              | Self-adhesive            |
| Number of permanent partitions: | 0                        |
| Number of plug-in partitions:   | 0                        |
| With cable fixing clip:         | No                       |
| With duct connector:            | No                       |
| Usable cross section:           | 25                       |
| With protective foil:           | No                       |
| Delivery on roll:               | No                       |

|                                 |      |
|---------------------------------|------|
| Transparent:                    | Yes  |
| Suitable for circuit integrity: | No   |
| Cover model:                    | None |
| Anti-bacterial treatment:       | No   |
